The Commission will require a one-time increase in expenditures of \$11,500 which includes rule-making (\$7,500), computer registration system upgrades (\$1,000), office landscaping (\$2,000), and computer costs (\$1,000).
- The Commission will incur additional recurring expenditures for the costs for investigation and hearing of complaints against AMCs at an estimated cost of \$40,500 which includes travel and per diem for nine board members (\$8,000), and legal, investigative, and administrative costs (\$32,500).
- There is no fiscal impact on the state for expanding membership requirements for the Commission.
- Pursuant to Tenn. Code Ann. § 4-3-1011, all regulatory boards are required to be self-supporting over a two-year period. As of June 30, 2009, the Commission had a positive balance of \$255,030.16.
